

Let us join together as we remember to  
**Love Jesus, Love Learning, Love Life**

Peace be with you  
And with your spirit

Today we hear in the gospel about the saints who did God's work on Earth immediately before and after the years that Jesus spent teaching. St John the Baptist prepared the way for Jesus and St Peter was the first leader of the Church on Earth when Jesus went to Heaven.

## Opening prayer

Lord, thanks to the trust you placed in St Peter, making him the rock of your church, we are now your church on Earth. We are here carry on your mission. Let us be your light to those we meet.

**Amen**

# Let us welcome the Gospel as we sing Alleluia

Father, we praise you  
as Lord,  
All of the earth  
gives you worship,  
For your majesty,  
fills the heavens, fills the earth.

## A reading from the Gospel according to John 1:35-42

### **Glory to you O Lord**

As John stood with two of his disciples, Jesus passed, and John stared hard at him and said, 'Look, there is the lamb of God.' Hearing this, the two disciples followed Jesus. Jesus turned round, saw them following and said, 'What do you want?' They answered, 'Rabbi,' - which means Teacher - 'where do you live?' 'Come and see' he replied; so they went and saw where he lived, and stayed with him the rest of that day. It was about the tenth hour.

One of these two who became followers of Jesus after hearing what John had said was Andrew, the brother of Simon Peter. Early next morning, Andrew met his brother and said to him, 'We have found the Messiah' - which means the Christ - and he took Simon to Jesus. Jesus looked hard at him and said, 'You are Simon son of John; you are to be called Cephas' - meaning Rock.

## Gospel Reflection

What did we learn from today's Gospel?

John called Jesus 'The Lamb of God' what picture does that name put in your head ?

Other names are used in this gospel

Rabbi - which means teacher

Messiah - which means the Christ

Cephas - which means the Rock

If you had to be given a name which means something, and says something about you, what would it be ?

Jesus trusted Peter to lead his church. If you had an important job to pass on who would you ask to do it ?

# Special Prayer

Eternal rest grant unto him O Lord and  
let perpetual light shine upon him.  
May he rest in peace. Amen

May his soul, and the souls of all the  
faithful departed, through the mercy of  
God, rest in peace. Amen

# Closing Prayer and song

Please say together:

Lord, thanks to the trust you placed in St Peter, making him the rock of your church, we are now your church on Earth. We are here carry on your mission. Let us be your light to those we meet.

Verse 3

Blessed are the poor, for the  
kingdom shall be theirs  
Blest are you that

Be not afraid  
I go before you always  
Come follow me  
And I will give you rest

# May you go in the peace and love of Christ...

## Families enjoy the outdoors together in lockdown.

As we all know, exercise is so good for us. Lots of children have taken lockdown as an opportunity to get outdoors with their families. More than half of those surveyed said doing sports and fitness had brought their families closer together, with 53 per cent of parents spending more time doing physical activity with their children than they did before lockdown, according to the Evening Standard.

Some children have started running with their parents or older siblings, some have learnt to ride a bike, others enjoy walking and seeing nature.

Joseph Hall, aged 9 from Plymouth says "before lockdown I was only able to run a mile and now I can run 3 miles. I feel so much fitter and healthier".

Esmae Hall, aged 7 from Plymouth say's "During lockdown I have been out on my bike more with my family and now I can ride my bike without using stabilisers. I am so happy."

There are loads of ways to stay active and have fun together, improving our health and mental wellbeing.

Well  
done  
Molly!

**Well  
Done**

2 Solve the multiplication. Draw your answer.

$$12.2 \times 3 = \boxed{36.6}$$

This week's crew member of the week has been fantastic at responding to feedback that has been given to them throughout the week. They have also been showing us their great explanation skills and showing how they came to an answer on lots of their maths work! We are really impressed with this member of our class and hope this continues throughout the rest of their online learning! Well done!
