Where is South America and what countries does it include?

## Spring 1- Year 6

*Love Jesus, Love Learning, Love Life*

What are some of the physical features of South America?

What is it like to live in South America?

What are the different climatic zones in South America?

How are the climatic zones and biomes different in comparison to Russia?

As **Geographers** we will:

**Remember** the names of the different hemispheres on a map

**Explain** longitude and latitude.

**Understand** 6 figure grid references

**Create** forms of recording the different climate zones and relate them to continents and countries.

As **God's Family** we will:

**Explain** our own and other people's ideas about how books enrich our lives

**Enquire** when and how Christians use the Bible

**Evaluate** how our own and others' decisions are informed by beliefs and values

As **Writers** we will:

**Evaluate** narrative poetry

**Create** then entertain through adventure narratives

**Inform** the reader through persuasive adverts

As **Mathematicians** we will:

**Remember** fraction qualities in order to order, find equivalence and perform four operations

**Solve** problems involving area and volume

**Enquire** how ratio relates to unequal dividing

As **Scientists** we will:

**Remember** how to record results using tables, scatter graphs, bar and line graphs

**Investigate** variations in how components function, including bulbs and buzzers

**Explain** voltage and how this relates to circuits

South America  
continent  
longitude and latitude  
equator  
tropics  
urban  
climate  
biome  
region, zone

As **active** children we will:

In hockey we will **remember** how to establish the correct stance and grip in hockey

**Explain** how to pass, dribble, shoot and tackle  
**Create** space in order to pass and receive the ball

**Evaluate** our performance in small and larger games

Love Jesus, Love Learning, Love Life  
Love God's World

As **Citizens** we will:

**Evaluate** our increasing independence to keep themselves and others safe.

**Remember** how to use technology safely.  
**Explain** how to report and get help if they encounter inappropriate materials or messages.

As **Coders** we will:

**Evaluate** the effectiveness of algorithms

**Create** algorithms in order to produce an output

**Solve** and debug algorithms

As **Artists** we will:

**Enquire** how to control the types of marks made have different effects and textures inc. blocking in colour, washes, thickened paint creating textural effects.

**Remember** how to mix colour, shades and tones with confidence
