Harvest Offering

Dear Parents & Carers

The Harvest Mass at St Joseph's church will take place on this Sunday 23rd September at 11.30am - all welcome. As a school we like to join with the Parish in contributing to the food donations which are then taken, after the service, to Shekinah for distribution to those who are in need. All donations can be brought into school on Thursday or Friday this week via your child's class.

Suggestions for food donations

Please check the 'Use by date' on all produce

Dried items such as pasta and rice

Tinned fruit, vegetables and soup

Jars of sauces such as pasta or curry sauce

Crisps

Chocolate

Biscuits

Please only bring fresh vegetables or bread into school on Friday.

On Friday 5th October we will be thinking about our wider, global community on CAFOD Harvest Fast Day and there will be an opportunity to make a monetary donation in the special CAFOD envelopes which will be provided. We would like to ask families to either make a food donation this week or a CAFOD money donation later - please do not feel you have to donate twice!

We appreciate all your support.

Kind regards

Mrs Sarah Norton
RE Leader
