"Let the little children come to me..."
Matthew 19:14, NIV

In the Gospel this week, we will hear how Jesus talks about how important it is to listen to him. We learn how he knows us and cares about each and every one of us, no matter who we are. Let's think some more about this

over the weekend. **Please also keep our year 6 children in year prayers next week as they complete their SATs.**

How do we listen to Jesus in our lives?

Mr Dyson's Update

What a week! Sitting eating my lunch with children at Cathedral on Tuesday, I received a call from Miss Hawken to say OFSTED were coming. Those that don't know - for anyone involved in education, OFSTED is a very intense process. After two days of incredible hard work from all staff, the inspectors have left us with things to work on, but also identifying the many strengths we have shown over the two days. I am not able to share the outcome yet until the report is shared officially with me - this could take up to eight weeks, but as soon as we have it, I will share it with you.

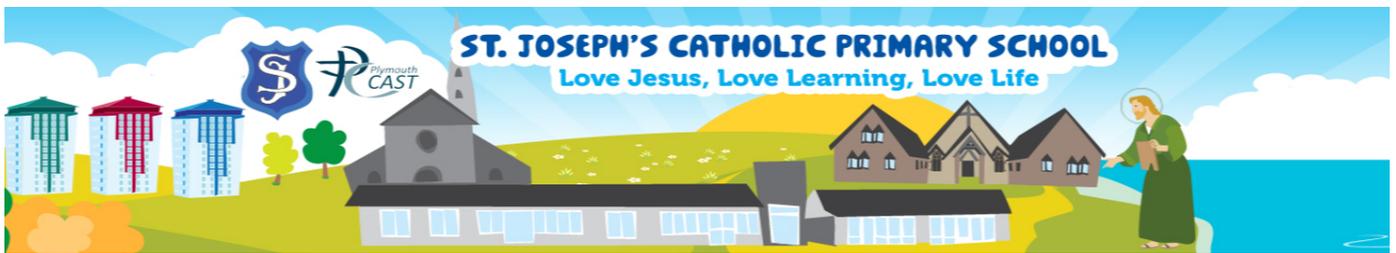

The children were a credit to our school and to you. They always are, but it always makes me smile watching children confidently speak to visitors about their learning and school experiences. To the year 3 children in particular, the inspector was wowed when the five of you burst into song during his meeting with you about music! I also want to thank you as parents - who have been overwhelmingly supportive since the day I returned.

At the start of the week, I received a great message to say that Quinn took part in the R&T Looe Bay boys football tournament over the week with her girls Argyle team & won. They won all their games over the weekend. Well done Quinn!!

I hope you all have a lovely weekend,
God Bless,

Mr M Dyson
