Accessing Home Learning

- Open an internet browser
- Search for 'Google Drive sign in'
- Ask your child to type their username
  _____@st-josephs.plymouth.sch.uk
  and password
- Go to the 9 dot navigation in the top right hand corner
- Select Google Classroom
- Your child may already be signed into the 'Home Learning' classroom
- If not, click the + button in the top right hand corner and add the code that has been text to you

Any problems, please call the school and we will talk you through it.

*If you are accessing the home learning on a mobile or tablet, you can download the 'Google Classroom' app and 'Google Docs', but your child MUST sign into 'Classroom' using their school account:
